Current Schedule of Consulting Fees

- *General Consulting & Training (principal) \$2,500.00 per day (locally) (\$1,500.00 half-day / \$500.00 per hour)*

This time is spent on behalf of your business or project after formal engagement of services. Time starts at the designated meeting time.
- *Database Architecture (principal) \$500.00 per hour*

This is creative computer time in the process of database creation. Interview and information gathering time is charged at normal rates. *Project Contracts are the norm.*
- *Telephone Consulting (principal) \$75.00 per 15-minutes*

The first ten minutes of any telephone consultation is free, to determine the extent of consulting needed. Client pays phone charges, if any.
- *Out-Of-Town Consulting & Training \$3,500.00 per day*

Plus expenses for travel and lodging - 1st or Biz class, hotel exec. suite or equivalent. Travel time is billed at 50%. Until client relationship is established, payment in advance.
- *Project Planning & Custom Projects - Not to exceed contract.*

A free one hour meeting will determine the "scope of the job" after which a "ball park" cost will be established. At the completion of meeting #1, a "not to exceed" retainer contract will be completed.
- *Terms & Conditions:*

Until client relationship is established, all payments in advance. After establishment of ongoing relationship, monthly billing against a the agreed retainer.

 - *Travel: Transportation, lodging, meals, and incidental expenses.*

In the event of a client cancellation or change of schedule, the full amount for the scheduled time is due and payable. Work will be re-scheduled at a time of mutual convenience.

Standard expenses:
Supplies, telephone, outside professional assistance as required, all travel & lodging, etc.

• *It is PPI's responsibility to develop an "evidence procedure" for perceived or measured value, and deliver to that criteria.*
